In the case of postponement, the organizer must fill in a completely new insertion form.
5. The Gozo Culture Office encourages early insertions in the online calendar which will certainly be of great help, not only to market the event but also to help domestic and foreign tourists alike to pre-plan their holidays in Gozo. We also strongly recommend the inclusion of a visual aid in poster or photographic format, which as indicated must not exceed 1MB.

The decision whether or not to include a proposal for inclusion in the online Gozo Cultural Calendar lies solely at the discretion of the Gozo Culture Section, and will be final.
