Notte Gozitana: “A Celebration of Wine”

As part of the upcoming Notte Gozitana festivities, Rotary Club Gozo is arranging special wine nights under the stars, on the bastions at the Citadella, Victoria. These will be held on the nights of 22nd and 23rd May and a range of selected wines will be offered, courtesy of Marsovin Wines. Accompanying Gozitan food specialities will also be served.

All wine-lovers are invited to this “Celebration of Wine”. A nominal €10 charge will payable on entry to each of the evening events. Each visitor will be given their own wine glass to enjoy the various wines that will be shown, which they will then be free to keep.

On Sunday there will be a Traditional Gozitan Lunch “Al Fresco” – a continuous buffet of delicacies, specially-prepared by the Country Terrace Restaurant, with unlimited free wine! The Sunday lunch will be limited to 150 guests and tickets at €29 will be available soon from The Country Terrace Restaurant in Mgarr, Bookworm in Republic Street, Victoria and by emailing info@rotarygozo.org.

There will be some wonderful live music throughout.

All proceeds from “A Celebration of Wine” will benefit Rotary Club Gozo’s nominated charities for 2009: The Friends of the Sick and the Elderly, Oasi, Wirt Ghawdex, Happy Moments in Kenya and Rotary Foundation.

More details will be forthcoming in due course. Please check www.rotarygozo.org for updates as they happen. Or, for more information email info@rotarygozo.org.
